CONDITIONS OF ENTRY

The Fire & Clay 2017 Exhibition is a selected exhibition, open to all current financial ASP members.

Work must have been made in the last 12 months. Work must be the sole creation of the entrant, but may have been made in a class of instruction.

Each financial member may submit up to THREE entries. This year, as part of the three entries, we have the possibility of accepting larger work suitable to be displayed outside in the garden of the Pah Homestead.

First entry has a fee of \$20, 2nd and 3rd of \$10 each. Please pay at the office or by internet banking to **Acc. 06 0996 0920949 000. Please put your name and the word exhibition in the reference section.** If two or more members submit a collaborative work then they all must be financial members and the entry counts as one of the three permitted entries for each of the members.

The selector this year is Mary-Louise Browne. Browne graduated with a Master of Fine Arts from the Elam School of Fine Arts, University of Auckland in 1982. Since then she has exhibited widely throughout New Zealand and overseas, is represented in both public and private collections, and has produced several major public art commissions.

Fire & Clay exhibition selection will be done by digital image submission. All images should be of high resolution & put on CD or USB stick. Entries need to arrive at ASP, 96 Captain Springs Rd or send to PO Box 13-195, Onehunga by **Monday 9th October 2017**. Don't send images by email. No late entries will be accepted. The digital images (up to 3 per piece) should be a true representation of the work that will be submitted. The selector reserves the right to do a final selection after viewing the pieces. The artists will be notified whether their entries have been selected by the 1st November. By the 10th November all selected work needs to be at the ASP. Large pieces can be delivered to the gallery on Monday 13th November, 9am. Entries delivered by courier must have the return courier tickets or equivalent money included. All entries need to be well protected and packaged securely in **CLOSED BOXES** for transport.

Work will be insured while in the care of ASP and in transit from ASP to the gallery. All freight and insurance in transit between artist's studio and ASP is the responsibility of the entrant.

A commission of 40% (includes 30% for the Wallace Arts Centre & 10% for ASP) will be deducted from sales.

Each piece must be labelled on the base with:

1. Name 2. Entry Letter 3. Price

In your entry you may include: ONE set (counted as one entry).

The exhibition closes on Sunday 10th December at 5pm. Unsold entries, apart from large outdoor sculptures, can NOT be collected from the gallery. All the work will be taken to ASP and MUST be collected from ASP within the week - we do not have storage space.

Complete all sections & send in the whole form with your digital submission.
